Case No.:

JURY

- 17
18 1. The AUSAS and all of my lawyers need to be disbarred for knowingly helping and
19 conspiring with Randi and Cogan with their criminal scheme to deprive of every fucking
20 right known for a fair trial ...every fucking AUSAs knew and Engelmayer aided them
and Wolfe covered it up
21 _____

22 ¹ Prosecutorial Immunity and only issue summons these both people and no one below the line

23 ² Judicial Immunity from Oct. 16, 2020 to April 5, 2021, but Judge Engelmayer lost judicial
24 immunity/capacity when he practiced law on April 6, 2020—but whomever is assign will decide
ultimately

25 ³ Judicial Immunity

26 ⁴ Judicial Immunity

27 ⁵ Judicial Immunity

28 ⁶ Prosecutorial Immunity

⁷ Prosecutorial Immunity

⁸ No judicial immunity because he was a victim tht colluded with Mr. Silverman to deprive me a
fair trial

2. Wolfe needs to be removed from civil service because she laughed that she would get away with it
3. All judges have an audio of Wolfe lying about my right to en banc
4. Wolfe deprived me the right to inform judges of Engelmayer's criminal conduct, as EVERY FUCKING AUSAs couldn't believe what Engelmayer was allowing
5. ENGELMAYER and WOLFE (circa 2008) took a bribed
6. Engelmayer, Livingston, Peace, and Wolfe were bribed to allow Randi and Cogan to deprive of EVERY SINGLE FUCKING to a fair trial with 80 AUSAs couldn't believe that obvious crimes were being ignored and to ignore the facts
7. Wolfe was fucking CAUGHT saying that Perez and Karamigios were committing a crime but either she hid and lied to the judges and panel but if anyone looks at the transcripts...anyone moron could see what I have 80 AUSAs saying to me
8. Engelmayer didn't any AUSAs to say what my lawyers were doing was wrong but he took it upon himself to coverup their criminal conduct
9. Engelmayer -You Honor has deprived me of any single right that is known to make a fair trial or hearing, a biased judge is a structural error. There is evidence of you told people not to perform their job as means to place me in jail or deprive of employment, wages, and retirement benefits because Randi bribed you.
- 10.
11. If Your Honor had any integrity, but you don't have stayed on to get your cash money from Randi and to control how Kellman admitted to conspiring with you, you would consider the appearance, but you know it is BEYOND appearance but actual criminal conduct on your part for Randi Weingarten with the support of Peace (Schumer)
- 12.
- 13.
14. 1-No violations occurred, as Engelmayer had Kellman not present evidence of the transcripts that shows no violation occurred
15. 2-Silvlerman said that he told Lombardo that no violation occurred and told me that he and Karamigios had the same conversation because they both agreed that I followed the same Engelmayer told me
16. 3-Kararmigios had Lombardo say under oath that I had to follow what Silverman said
17. 4-Cudina said that she had to write that there was violation and to speak to Engelmayer because he didn't want me to enforce his order and wanted me to be without a job with a cab driver and passenger as my witnesses
18. 5-Mysliwicz and Karamigios have not corrected their criminal conduct of depriving me liberty
19. 6-Randi with the UFT, Livingston, Wolfe, Peace, Engelmayer, Cogan and Schumer all planned to retaliate against me for exposing their criminal conspiracy by depriving HIV meds for over a month and now I have HIV drug resistance
20. 7-Had Dr. Wentowski write that I merely associate everything with Randi
21. 8-Bensing or Karamigios (the transcript will say whom)

22. 9-Livingston, Engelmayer, Wolfe, Randi and Cogan planned on how to deprive me of my rights at the appeal, as the transcript and evidence are clear that no violations occurred and Cogan and Randi interfered in my lawyers
23. 10-Wolfe and Livingston have personal knowledge and evidence of Engelmayer's criminal conduct for Randi and Cogan
24. 11-I am assuming that Livingston lied to Justice Roberts to cover up Engelmayer, Randi and Cogan because Wofle said that she will get away with it, as I kept sending my. Complaints to Admin and Oversight and they must send it to Dishonorable Livingston—I believe Wolfe, like she loves that cash money from Randi ...because no one looks back, if they look back they will see the what 80 AUSAs said were obvious crimes
25. 12-Engelmayer took bribe to treat like an animal as over 300 crimes were committed against me –wages, retirements, liberty, fair trial with all the rights that make a fair trial -and rob my parents of money to cover his conspiracy with Kellman, Randi, Cogan
26. 13-Engelmaeyr was bribed to obstruct justice because he didn't allow me to create a record, as he kept on saying ..I don't want to hear from you or you said enough and I don't have time for this
27. 14-Engelmayer is a man of his word, he promised that I will not receive justice in his courtroom because he took a bribe from Randi to cover up her criminal conduct under 241
- 28.
29. There were never any violations and they were all fabricated with Engelmayer knowing and ignoring the fact that he had Lombardo and Cudina write false report
30. 200k was stolen from me, see Blassman and transcript
31. HIV placed on a nonprofit blog
32. Karamigious, Peace, and Bensing with other at AUSAs of EDNY have an obligation to inform the court that perjured documents and testimony were used to obtain any conviction
33. Randi and Cogan paid Engelmayer and the AUSAs to ignore their criminal interference in my legal representation and hid the audios of my lawyers
34. Kellman admitted that Engelmayer told her not to present evidence
35. The transcripts prove that I followed the way Engelmayer
36. Engelmayer stopped me from presenting evidence
37. Silverman admitted to conspiring with Randi and Cogan
38. Bensing/Karamigios lied, as the interactions between Randi and I on Bharara's email
39. Lombardo perjured himself, as Silverman is audio recorded saying that he told Lombardo this
40. Mysliwicz didn't do his job, as Cudina perjured herself because I was allowed to email Engelmayer my motions
41. Wolfe said that cash is good and no one looks back

- 1 42. Over 300 crimes were fucked committed against and wolfe was paid to enter
2 decision
- 3 43. Muchy told me to get over it and audio was sent out to every judge
- 4 44. How many times is she going to be allowed to commit the same fucking crime
- 5 45. Schumer and Randi bribed MyAvy with providing his pedo with any advantage
6 to distort and enter a decision for Randi
- 7 46. Wolfe, Livingston, Engelmayer, Schumer, Cogan and Randi with the UFT
8 deprived of HIV meds to retaliate against me because I exposed for being
9 lowlife
- 10 47. Wolfe lied to me about en banc and said that she will not process my en banc or
11 anything and will get away with it
- 12 48. Wolfe helped to cover up how my illegal detention was preplanned by Randi
13 and Cogan, as she illegally entered a decision because Randi and Cogan want
14 to get away with depriving of EVERY FUCKING to a fair trial
- 15 49. 80 FUCKING AUSAs said crimes were committed against and no judge
16 would ignore
- 17 50. Not only did Engelmayer ignore but he supported the criminal conduct by
18 actively obstructing justice so that Randi and Cogan could evade prosecution
19 and civil suit via 42 USC § 1985
- 20 51. The evidence is clear either wolfe entered a decision or lied to the judgesd
21 about facts to cover Engelmayer's criminal conduct of depriving of liberty
22 without due process because he wants to get away 45 crimes against me for
23 helping Randi and Cogan interfere with my legal representation
- 24 52. AUSAs has the audios of Silverman and Kellman, which they hid because
25 Peace took a fucking bribe from Randi
- 26 53. Wolfe knowingly entered a decision that cannot be supported by the transcripts
27 because she took a bribe from Randi
- 28 54. Wolfe covered up exposure of HIV by not placing my brief
55. Wolfe has strong bias against because Randi has been bribing her since 2008
56. I bring this action as injunction of being placed in FMC because Judge,
illegally because, according to Judge Engelmayer, "it was planned this way"
and Ms. Kellman said, "the judge told me to make sure you are placed in a
mental institution with the Judge Engelmayer saying, "I called Ms. Kellman
especially for you."
57. Judge Engelmayer said, "you will never receive justice here" on April 6, 2021
58. Judge Engelmayer planned it with the helped of Ms. Kellman and other judges
59. To stop Sen. Schumer from helping to cover up the crimes of Judge
Engelmayer, Judge Cogan
60. Cogan and Randi had Silverman intimidate my mother & brother, "if you
continue contact AUSA Amundson, he'll have you arrested."

- 1 61. To vacate the decisions of Judge Cooper, Judge Swain and Judge Siebel, as
2 they cover up Judge Engelmayer's criminal conduct and, especially now that he
3 said he planned it this way because they are valid petition to show that I was
4 denied a fair trial, and Mr. Perez is covering up edited transcripts, the
5 intimidation and the structural errors claims because he is colluding with Judge
6 Engelmayer because he said, "it was planned this way"
- 7 62. For the AUSA of EDNY and DOJ, in general, to provide me with equal
8 protections of the laws, as my lawyers keep on committing crimes, and they
9 admit who they did it for, against me as means to deprive me a fair hearing or
10 fair trial
- 11 63. See the attachment for other allegations and lawsuits
- 12 64. But those who have immunity, I seek only an injunction for them to provide me
13 equal protection of the laws
- 14 65. I am entitled to a new hearing before my liberty is taken on June 24, 2022 and
15 before an unbiased judge, who is trying to cover his misconduct up—according
16 to Ms. Kellman
- 17 66. I am entitled to a counsel who does not undermine me
- 18 67. Over 90 AUSA know that Ms. Kellman, Judge Engelmayer, Mr. Silverman,
19 AUSA Karamigious, Officer Lombardo with his supervisor, deprived me a fair
20 hearing and presented false report
- 21 68. According to Ms. Kellman, Judge Engelmayer told her that he needs to
22 discredit me and cover up what he did to, which is why Mr. Perez wrote brief
23 the way that he did, after court on May 4, 2022, and this was done with the help
24 Judge Seibel because I told her that Mr. Perez was covering up what Judge
25 Engelmayer and Mr. Silverman did to me.
- 26 69. Many of the DOJ personnel said that my rights were being taken for Randi
27 Weingarten and that she someone fixing cases against you
- 28 70. Sen. Schumer has repeatedly said, "Randi is like a sister to me"
71. Betsy Combier played me an audio recording of Randi Weingarten paying
Judge Marrero (Schumer) received \$10,000 dollars to hide Randi Weingarten's
misconduct in c Case No. 1:08-cv-00548-VM-AJP and caption was called
Teacher4action v. Bloomberg et al, therefore the assumption that this judge
received the same payment to help hide Randi Weingarten's conduct because
EVERYONE, EVERYONE outside the 2d. Cir. knew Randi Weingarten and
Judge Cogan committed crimes and that the AUSAs of EDNY were helping .
72. Except for Judge Cooper, all judges that I have had were recommended by Sen.
Schumer

- a. Judge Engelmayer lied about his association and called me stupid and crazy
 - b. Judge Donnelly lied at first, but once I reminded her of thier duagthers going to school together, then her memory came back
 - c. Judge Swain, she ignored the question
 - d. Judge Seibel and Judge Matsumoto, they ignored the fact that Sen. Schumer was listed and Judge Matsumoto was told about recusal
 - e. Judge Brodie, Judge Livingston, etc, they did not state their asscocation
73. Judge Matsumoto and AUSA Karamigious, they still need to collect taxes from Betsy Combier because it is not a judicial act or prosecutorial act but a ministerial act—no discretion
74. Only last count applies

Supposed violation	The truth with audios were sent to every single AUSA in the country prior to May 4, 2022—the statements below should appear on the transcripts, if Judge Engelmayer did not edit them, since he has that dirty habit
<p>I informed Judge Engelmayer that I would place a rule 60, under Full and Fair Credit Clause before Judge Cogan</p> <p>A. Judge Cogan wrote the briefs that the arbitrator quoted</p> <p>B. Judge Cogan negotiated the CBA for the UFT, while at Strook for over 20 years</p>	<p>A. I told Judge Engelmayer on Dec. 1. 2021 with Full and Fair Credit Clause because the court below the top Court of NYC said verbal contract written in an email are enforceable</p> <p>B. I informed the judge that the judge would have to guess how the top court would rule</p> <p>C. I explained that, which Judge Engelmayer and the AUSAs know too, that Betsy misuses her 503(b) nonprofit foundation for the for profit paralegal business, which the evidence is on Judge Engelmayer's docket and Judge Matsumot's docket</p> <p>D. I told both judges that the collection of taxes is not a judicial act or a prosecutorial act, but a ministerial act that provides no discretion</p>

<p>I told Mr. Silverman did not file my criminal complaints</p> <p>A. Judge Engelmayer said, I don't care</p> <p>B. I told Mr. Lombardo not to write what Mr. Silverman did, as means to protect him</p>	<p>Audio sent to Ms. Kopplin of the Senate Ethics Committee, Mr. Lombardo and is supervisors, and Mr. Amundson</p>
<p>1. March 8, 2022, Judge Engelmayer informed me that he called Ms. Kellman, Esq. and told her why he needed her for this case—remember audio sent to everyone</p> <p>2. On or around March 15, 2022, Ms. Kellman told me and Ms. Nephew what the judge wanted her to do, which was make sure that I get placed in a mental institution—this was NEVER said by Judge Engelmayer in front of me because I have it audio recorded and all AUSAs have the same audio. THEREFORE, this instruction came from Judge Engelmayer well they spoke on the phone prior March 8, 2022—I was not told the date they spoke</p> <p>3. I informed Mr. Lombardo with his supervisors, Ms. Kopplin, Mr. Amundson about the transcripts because Judge Engelmayer explained them. See Exhibit B</p> <p>4. On May 4, 2022, Judge Engelmayer said, “everything was planned this way,” which he made him appear happy</p> <p>5. On May 4, 2022, Ms. Kellman, in front of Mr. Silverman, said, “I committed misconduct, I can't do anything about it because the judge knows too because, as you see, he knew that the AUSA and officer committed misconduct, as he said “it was planned this way.</p>	

6. I asked Judge Engelmayer about Mr. Silverman's statement of not doing his job for Randi Weingarten and Officer Lombardo, I told him not to write about Mr. Silverman and you should understand by now, I have been protecting him too

Violation Hearing

On May 17, 2022, my brother emailed the following: (their lack of action is what Judge Engelmayer said was part of the plan)

Lastly...are you going to tell the judge that the AUSAs and Ms. Kopplin have the audio recording of you telling me that you did not read the email that contained everything that you needed to review and obtain for the violation hearing? Or you telling me that the judge told you not to do anything—as he NEVER said this in front of me and ...I know you are not going to tell the judge this, for sure, but you are required to tell the judge because the fact is, they have the audios of you and I speaking and your misconduct caused my situation—as you allowed the government to use a false report, perjury, use the transcript/audio of July 20th and did not witness to support that I did submit the filings in

1 the manner in which Judge
2 Engelmayer explained on July 20,
3 2022

4
5
6
7 On June 2, 2022, I wrote to Ms.
8 Kellman and Mr. Lombardo (their lack
9 of action is what Judge Engelmayer
10 said was his plan)

11
12 (everyone is responsible, but
13 Ms. Kellman is especially
14 responsible for making this
15 happen) I have asked to appear
16 in court to present my audios
17 sent to AUSAs to create a
18 record of Ms. Kellman's
19 misconduct—which the root of
20 my distrust, according to AUSA
21 Shaw—withholding information
22 that maintained my liberty is
23 a crime, which is what she
24 said about MR. Silverman, the
25 fact that Officer Lombardo
26 with his Supervisor Ms.
27 Weinrauch wrote a false
28 report—which is a denial of
due process and Ms. Kellman
knows this with her
40 approved years of
experience.

29
30 **Please Take Notice**, it appears
31 that this is not the first
32 time that the judge and Ms.
33 Kellman pulled this move.
34 Where did not NOTHING, does

1 answer the defendant, and does
2 what judge told her what to
3 do.—Ms. Kellman remembers the
4 name because she was sued but
5 it was dismissed

6 **Please Take Notice**, these were
7 all sent to AUSAs

8 1.Judge Engelmayer said, "I
9 called Ms. Kellman myself to
10 represent you." On March 8,
11 20022

12 2.Ms. Kellman said, "the judge
13 told me only do what I had to
14 do to make sure that you are
15 placed in a mental institution
16 for mental health" I have to
17 check the date but it occurred
18 between March 8, and March 22
19 and Ms. Nephew was on the
20 call

21 3.May 4, 2022 Ms. Kellman
22 said, in front of Mr.
23 Silverman, I committed
24 misconduct and I judge knows
25 it and there's nothing I can
26 do it. (not sent to anyone)

27 **To Mr. Silverman**, it's been
28 over two weeks—did you clear
the document for threats or
file a complaint against Ms.
Kellman because she KNOWINGLY
screwed me over, lied to the
judge, and for being a NASTY
human. I need you to write to
the judge and tell him that I
do not trust Ms. Kellman, for
cause, because she was not
prepared and intentionally
screwed me over because,

1 according to her, the judge
2 told her to do nothing but
3 placed in a mental
institution

4 **To Mr. Lombardo**, did you
5 approve me using the internet
6 on June 13 because that is
7 what I was told today by my
8 NYSUT attorney, which I forgot
9 to ask you today? Or tell
10 the judge of Ms. Kellman not
11 putting in that I do not trust
her, I prefer a crackhead than
her...I can forgive a crackhead
for lying and screwing me over
intentionally

12 **To Ms. Weinrauch**, please
13 inform the judge that I do not
14 trust Ms. Kellman and the fact
15 94 plus AUSAs knows of your
16 misconduct, that you approved
17 a false report, aided Mr.
18 Silverman by not reporting
19 what he did, as it was sent to
you, MS. Kopplin, and Mr.
Amundson or the miscount of
Ms. Kellman...the AUSAs have the
knowledge which I provided you
case law

20 **To Mr. Perez**, you have not
21 answered question to appeal
22 the decision, which I can and
23 provide them with audios sent
24 to AUSAs because there is an
25 audio that contains proof that
26 of what the judge did to edit
27 because it relates to 28 USC §
454

28 **Below is the letter sent over
a week ago and issues that Ms.**

**Kellman does not address
because she is KNOWINGLY
committing a crime.**

I have asked you to file a
items to protect me

I told you that I do not trust
you and I requested a hearing
so that I can present that you
were prepared on any date and
you treated me like shit, as
94 AUSAs have this evident
with the lies that you told
me;

94 AUSAs know of your
misconduct and that of the
government.

I do not trust you 94, a
crackhead can be trusted

Mr. Lombardo and Ms.
Winrauch..I need you set up a
meeting with the judge, so
that I could call 94 AUSAs
because they know of Ms.
Kellman's criminal conduct and
dthe government committed
perjury, 94 AUSAs KNOW that
Judge Engelmayer allowed it
...please see the case law below
because it is not what Mr.
Silverman wrote but what the
judge told me on July 20,
2021—which is what I
referenced numerous times

1
2
3 There are filings like
4 mandamus to correct the fact
5 that the judge lallowed
6 perjury, he there is an
7 appearance of collusion
8 between the Ms. Kellma
9 and the judge and
10 allowed Kellman to commit a
11 crime and not be prepared for
12 May 4—which I have audios

13
14 I appreciate the response
15 towards my inquiry on
16 medication. If the issue is me
17 bringing the medication to the
18 FMC, then I am ok with it.
19 However, I brought my,
20 medication on the day that I
21 was arrested, on Nov 14, 2018,
22 and I did not receive my
23 medication for 5 days because
24 MDC Brooklyn had to figure out
25 what medication I required, so
26 I have a little anxiety over
27 this issue. They sent my
28 medication home with my
clothes and shoes, following
my illegal detention and this
was when I arrived at MDC
Brooklyn, as the US Marshals
gave me my medication while I
waited for arraignment, at
EDNY courthouse.

1 What about the issues below,
2 as I would like them to be
3 included in the letter to the
4 judge this Friday—are you
going to include them?

5 I only had a detention hearing
6 probable cause hearing, please

7 I cannot go further with you b

Please motion the judge to have all my sessions with the psychiatrist/psychologist be videoed, as means to have an independent psychiatrist/psychologist to review their findings—if necessary.

I know I saw this either in a statute or case law from the Supreme Court or both

Independent Evaluation for sentencing before or after Bunter or whatever FMC that I am sent too

18 USC § 3006

(e) Services Other Than Counsel.—

(1) Upon Request.—

Counsel for a person who is financially unable to obtain investigative, expert, or other services necessary for adequate representation may request them in an ex parte application. Upon finding, after appropriate inquiry in an ex parte proceeding, that the services are necessary and that the person is financially unable to obtain them, the court, or the United States magistrate judge if the services are required in connection with a matter over which he has jurisdiction, shall authorize counsel to obtain the services.

I do not know if the judge will allow this or if the government will object, but please motion the judge if I could surrender myself directly to Bunter vs the US Marshal and return from Bunter in the same manner—it is either yes or no.

a. This would mean I would provide my own transportation

b. I assume that I would have to go by Amtrak and then a bus due to ankle bracelet.

c. I would provide the court with receipt of ticket for Amtrak and bus ticket prior to leaving, if approved

In the order, the judge wrote quickest way to transport me to an FMC institution, so I do not see the problem because I will surrender myself to any FMC that is told me to go for 60 days.

Plus, I get 3 points reduction if I show at the BOP on my own accord—this is only for the BOP and nothing else

In Mosely, 277 F. Supp. 3d at 1300, the defendant opposed being transported and committed to the BOP facility for the mental-health evaluation...put in both but I only oppose the transportation

Count 1

1. Those with judicial immunity and prosecutorial immunity provide me equal protection of laws and not depriving me of my civil rights for Randi Weingarten, Sen. Schumer, and Judge Cogan, as I have AUSAs saying that my rights are being taken from me and being given to Randi Wiengarten and Judge Cogan because they said it is OBVIOUS
2. To provide me with a fair trial and hearings
3. For the AUSAs of EDNY to stop conspiring with Judge Engelmayer, Judge Cogan and Randi Weingarten to deprive me rights, which I do have AUSAs saying this
4. For senior leadership of the AUSAs of EDNY, they need to deal with AUSA Karamigous and AUSA Bensing making misrepresentation to the court (see docket) and presenting false report from law enforcement, as 90 AUSAs around this country have the audios to know Officer Lombardo wrote a false report
5. A stay on reporting to FMC Kentucky because Judge Engelmayer said, “it was planned this way” and the audios will confirm the collusion between Judge Engelmayer and Ms. Kellman

Count 2

6. 42 USC § 1983 claim against Judge Engelmayer, Mr. Perez, Ms. Kellman, Mr. Silverman, Officer Lombardo, AUSA Karamigious, as they conspired to deprive me liberty and a fair trial
7. The court will decide if Judge Engelmayer lost judicial immunity on April 6, 2021, when he practiced law under 28 USC § 454 because he told me what my intent will be and then had it edited out of the transcript, which Mr. Perez
8. AUSA Karamigious and Bensing have prosecutorial immunity
9. Over 90 AUSAs have the audios to prove this count

Count 3

10. 42 USC § 1983 claim against Judge Engelmayer who allowed Mr. Silverman to collude with Judge Cogan and Randi Weingarten, as he did not allow me to play my audio, because Mr. Silverman said that he did not do his job because of Judge Cogan and Randi Weingarten
11. Over 90 AUSAs have the audio to prove this count

Count 4

12. The AUSA received emails from me prior May 4, 2022
13. They have knowledge that I was deprived equal protection of the laws and required by policy⁹ and Supreme Court to protect my civil rights and provide me equal protection
14. After reading the transcript, they will know that AUSA Karamigious suborned perjury and presented a false report to the court with the help of Judge Seibel

⁹ I know DOJ policy provides with no right to claim and the Supreme Court wrote it, too.
JURY - 18

1 15.They have knowledge, via audios, that Judge Engelmayer deprived me of free
2 will to plead guilty and that Mr. Perez is coving it up with the help of Judge
3 Seibel, Judge Cooper, and Judge Swain
